Framed Height: 55 cm (21.7")

Framed Width: 65 cm (25.6")

Description

This is a favourite subject of Martin's - He has painted many times, usually at low tide, when its rounded shape and bold colours - yellow and black and rusty red - stand out well against the flatness of the sand and sea.

"Its just a joy to paint."

If you'd like to see it for yourself, you will find it at Bembridge marking the channel into the harbour, warning of shallow water.
